

## KAMAP Membership Charter

KAMAP members agree to adhere to the principles contained in this charter. As a KAMAP member:

- You are committed to the continual pursuit of knowledge and development of competence in the area of aesthetic medical practice. This includes proficiency in the areas of anatomy, assessment, medical aesthetic treatments (within your scope of practice), and the prevention, diagnosis and management of complications
- You embrace the principle of community over competition, and are willing to collaborate and support other aesthetic providers in their learning and development by sharing your experience and participating to the extent you are comfortable in KAMAP (Hylenex share, KAMAP directory, referral support, etc.)
- You will provide advice and support to your peers in a professional manner based on your own clinical experience and within your scope of practice
- You will respect other members of the KAMAP community, and not exploit KAMAP in the interests of your own personal or business agenda
- You will respect the privacy of KAMAP members and their patients as detailed in our confidentiality agreement
- You will not use the name of KAMAP, its officers or members, or its intellectual property, publications or promotional materials without express written permission.
